@devinevola

Devin is a Los Angeles based actress and multi-faceted creator known for her effortless comedic instincts and commanding on screen presence. At home, on set or behind the scenes, she writes, shoots, directs, and edits her own content. Recently she starred in the hit web series SLADE (4M+ pilot views) as a part of the lead ensemble and worked as creative producer on the project. Her comprehensive background across the production ecosystem makes her a collaborative powerhouse on set. Devin trained at the LACAE Conservatory honing her craft through a well-rounded curriculum ranging from traditional technique and scene study to sketch comedy and standup. This makes her work layered and keeps her flexible as a creative.
